Do you want it pushed out now with an acknowledgement?

Chrissy,

I just spoke to Dan, and we decided to deny the changes in blue.

Thank you.

Hello,
Eligio I made that change to the wording for 428.7; however, there are some other changes Lexipol is recommending. I have attached the policy here for your review. Let me know if we want to accept or deny the changes (in blue). Thanks.
